Premier League 2022 D. Rice

Declan Rice is an outstanding midfielder who dominates games, controlling the midfield with his passing and defensive abilities. He is involved in a lot of touches and creates a lot of playmaking passes, which helps his team progress the ball up the pitch. He is a strong passer, with a high number of passes per ninety. Rice is also a strong defender, with good active and intelligent defence, making many interceptions and winning a lot of possessions. He is an average provider for his teammates, but his main strength lies in his ability to control the midfield. Despite not being an outstanding attacking threat, Rice is a world-class midfielder who can control a game from start to finish.

Premier League 2022 D. Rice

Involvement

D. Rice is an exceptional talent when it comes to how often he gets involved in a game, especially in terms of how often he touches the ball. He is also typically good in other aspects of involvement, but is not as engaged defensively as other midfielders.

Progression

D. Rice is a playmaking superstar; simply phenomenal in ball progression. He has exceptional ability to create value for his team, distribute the ball into dangerous areas and execute that all-important playmaking pass.

Passing quality

Rice is a skilled passer, sending beautiful balls from midfield into the final third. He is excellent in terms of making passes that breaking through opposition defences.

Providing teammates

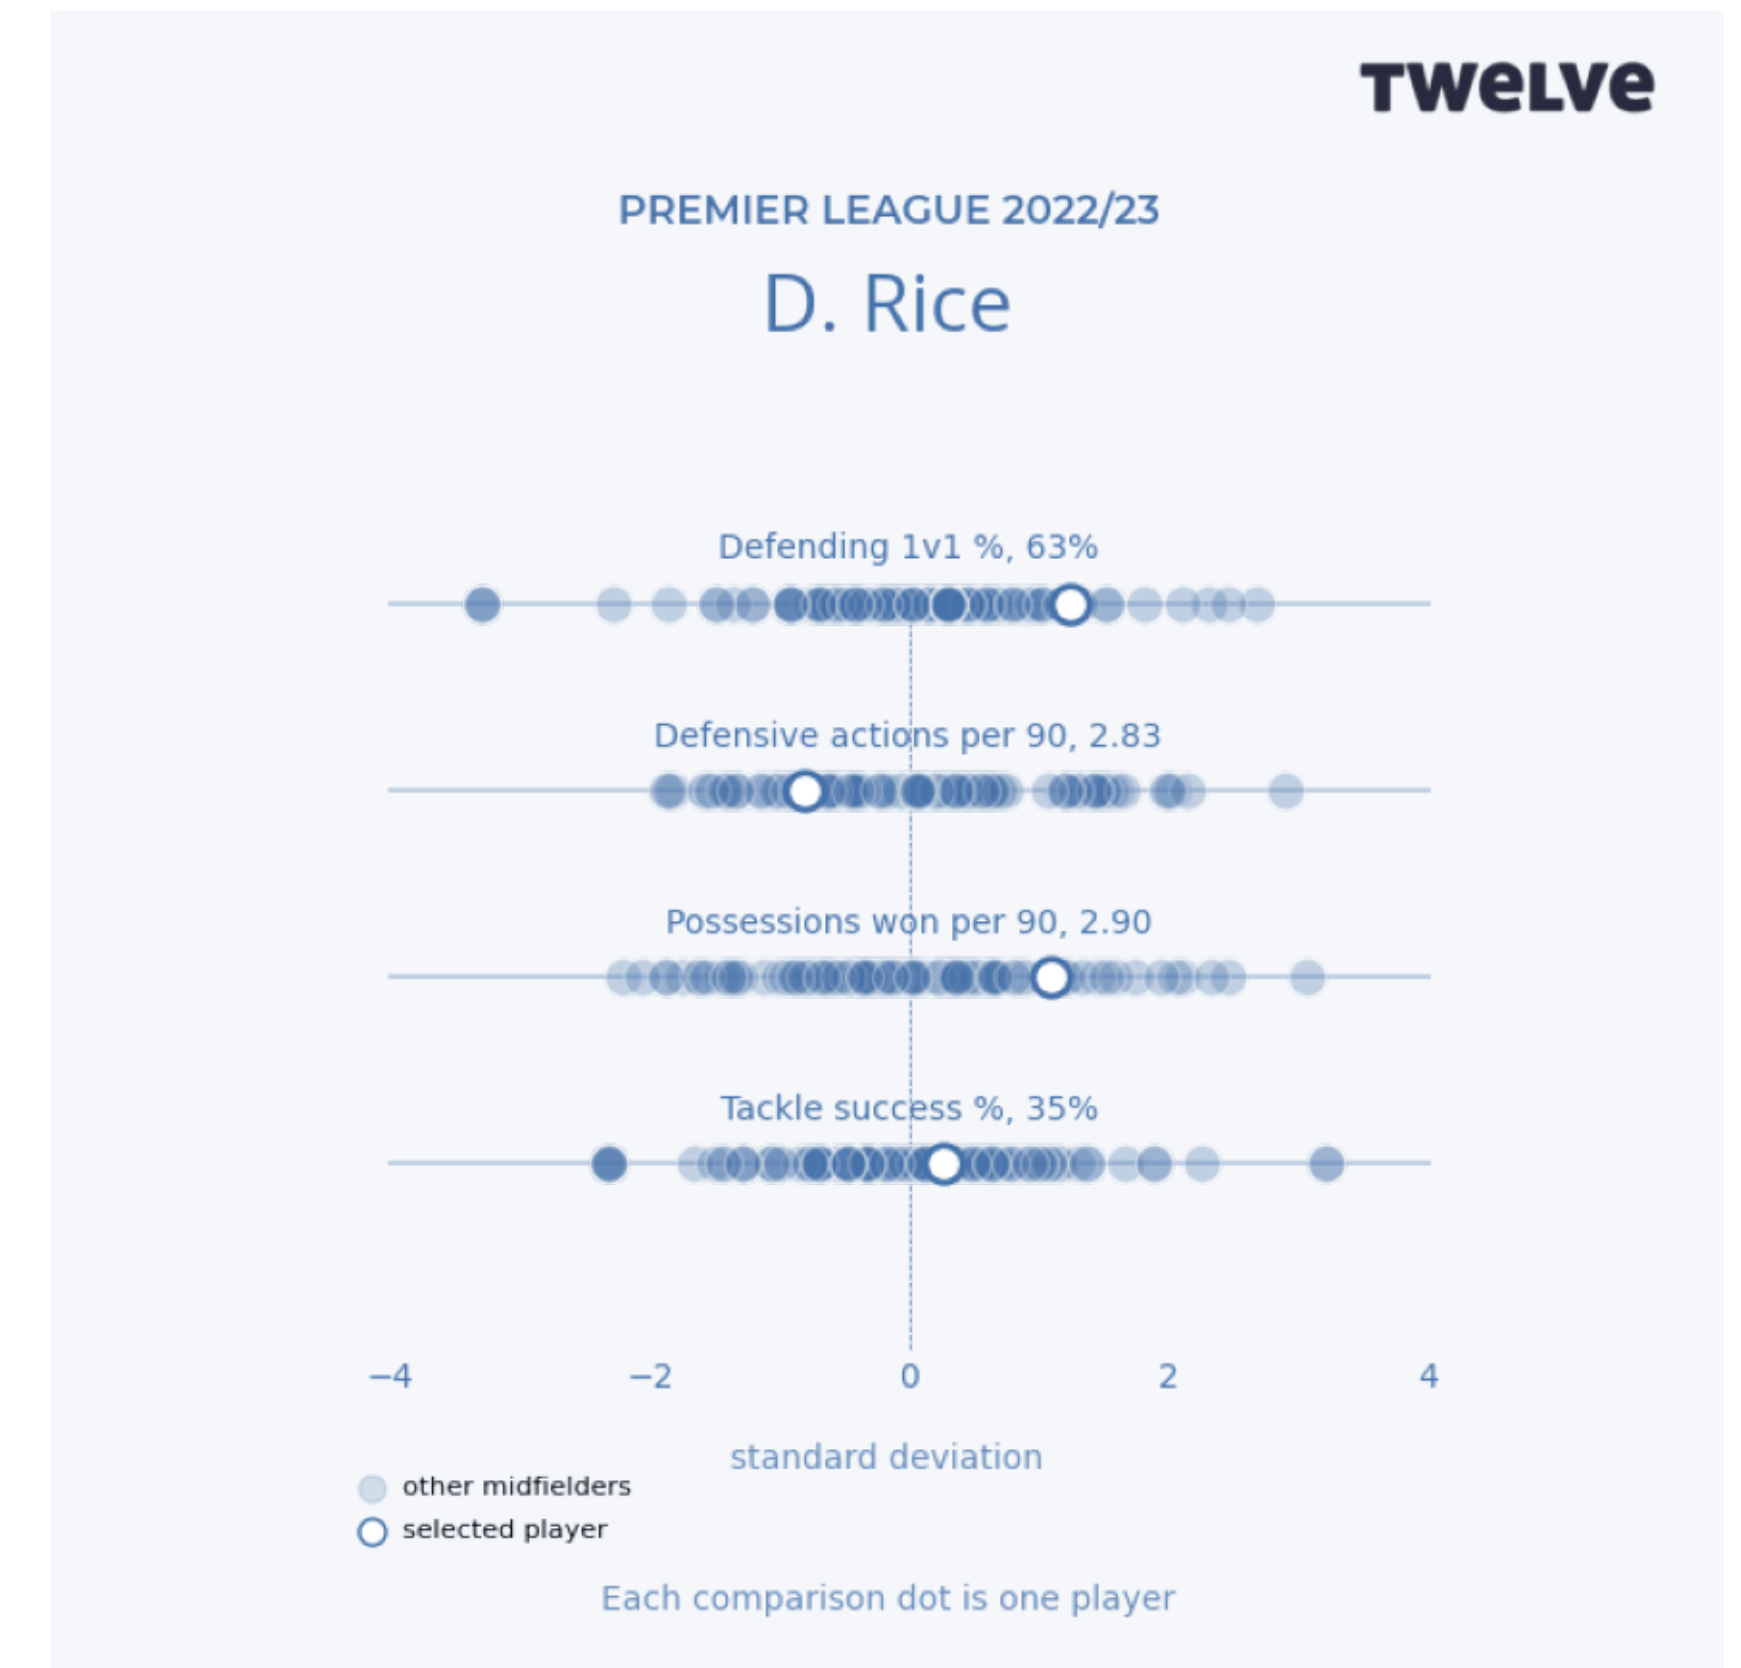

D. Rice is a midfielder who is not known for his creativity, but he makes up for it in his ability to provide the pass that leads to the assist. He doesn't play many passes from deep within the opponents half, but he can certainly pick out a pass that sets up a scoring opportunity.

Box threat

D. Rice is a solid midfielder, but his ability to receive the ball in the penalty area is a weakness in his game. His performance in other box threat metrics is typical for the league, without any particular strengths or weaknesses.

Active defence

D. Rice is undoubtedly a standout player in active defence, with his excellent performances in one vs. one situations and his ability to win back possession. His tackle success percentage is average, but his lack of defensive actions per ninety is outweighed by his strengths in other areas.

Intelligent defence

D. Rice shows an impressive ability to read the game defensively and intercept opposition passes. While he is fairly typical in his work rate on ball recoveries and counter-pressing, he is a top-performer in reading the game and winning back the ball.
